

## Milann – The Fertility Center launches new fertility centre in Delhi

FOR IMMEDIATE RELEASE

Delhi, March 2, 2016: Milann – The Fertility Center today announced the launch of its new centre in New Delhi. Smt. Maneka Sanjay Gandhi, Minister of Women & Child Development, Govt. of India, inaugurated the new centre located in Greater Kailash. The centre has all the state-of-the-art facilities required for a tertiary care fertility centre doing advanced fertility treatments.

Speaking on the occasion, Dr. Kamini Rao, Medical Director, Milann, said “With growing rates of incidence in infertility, there is a need for high quality fertility treatment in India. It is estimated that there are more than 27 million infertile couples and only about 1% come forward for evaluation. There are over 300,000 infertile couples in Delhi as per the Ernst and Young report on infertility. Milann, with its evidence-based approach and a 25 year legacy in reproductive medicine, would provide high-quality fertility treatments to patients in Delhi”.

Dr. Sandeep Talwar would be the lead clinician at the new facility. Dr. Talwar has over 16 years of practice in infertility treatment and has been involved in training students of reproductive medicine. She has also been an examiner and inspector for Fellow of Reproductive Medicine under National Board of Examinations.

---

### About Milann

Milann - The Fertility Center has been helping couples turn hope into happiness for over 25 years. Over 70,000 couples have been helped since Milann was founded in Bangalore by Dr. Kamini A.
